

Introducing Expo Square Wi-Fi

High Speed Wireless Internet access where you want it,
when you want it!

Along the Midway.

In the RV Park.

Throughout the Barns.

All across Expo!!!

High Speed Wireless Internet access is now available throughout Expo Square. Use your Wi-Fi enabled laptop or desktop computer, PDA, or other wireless device and surf to your heart's content!

Whether you need to send e-mail while at a trade show in the Exposition Center or just want to relax and surf the web while you wait to compete in one of the arenas, Expo Square's new Wi-Fi network allows you to do that and a whole lot more. With speeds of up to 1.5 Mbps download and 786 Kbps upload, you will be able to view streamed media content or even VPN into your company's network.

See reverse side for Connection and Registration information.

All service and support is provided by Tulsa MetroNet, one of the premiere Wi-Fi providers in the country. For help connecting, registering, or for general questions regarding service, contact...

Accessing Expo Square Wi-Fi

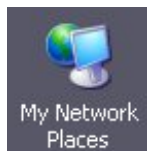

High Speed Wireless Internet access where you want it,
when you want it!

Step #1

CONNECT TO THE NETWORK:

1. Boot your computer.
2. On your desktop, right click the "My Network Places" icon and select "Properties".

3. In the "Network Connections" window that opens, double-click "Wireless Network Connection".

4. The "Wireless Network Connection" window, a list of available wireless networks will be displayed.

5. In the "Choose a wireless network" section, click on "ExpoSquare" and hit the "Connect" button at the bottom of the window.
6. A pop-up will display stating that you are connecting to an unsecured network. Click "Connect Anyway".

NOTE: Your connection will be secured once you register and login.

You should now be connected to the Expo Square Wi-Fi Network!

Step #2

REGISTER FOR SERVICE:

1. Once connected to the "ExpoSquare" network, launch your Internet browser (Internet Explorer, Mozilla Firefox, Apple Safari, etc.)

You will be automatically transported to the Expo Square Registration and Login page.

2. Click the "[Register for Expo Square Wi-Fi](#)" link.
3. Continue to follow the online instructions to finish registering and to login for the first time.

FAQ

FREQUENTLY ASKED QUESTIONS:

1. Can I use a desktop computer or PDA with this service? YES. Any computer or PDA that is Wi-Fi enabled can be used. For desktop computers, a Wi-Fi bridge may be rented for \$10 per day.
2. Will Expo Square Wi-Fi work with my existing wireless equipment? YES. The Expo Square Wi-Fi network is an 802.11 b/g compatible network.
3. Is the Expo Square Wi-Fi network secure? YES. During registration, all credit card information is encrypted using VeriSign SSL certificates. Once logged in, all wireless connectivity is as secure as any wired DSL or cable high speed connection. VPN solutions are also supported.

Support
