

MODEL and TALENT MANAGEMENT

Dear Client,

MTM/Model and Talent Management is a full service agency representing a variety of talent. We book TV, print, runway, promotional and trade show work. In preparation for the **Women's Living Expo 2009**, we are pleased to offer an exclusive promotion for any vendors needing **Promotional Models** for their booth.

Promotional Models can assist you with:

- Distributing your pamphlets
- Communicating your upcoming events and special sales to customers

This exclusive opportunity permits you to:

- Pay the reduced fee of \$15.00 per hour (***inclusive of agency fees***) per model
- Select the Promotional Models you would like to hire
- Spend your time meeting new customers, talking about your products or services, enjoying the Expo and meeting other vendors

Below is a sampling of our talent. Please feel free to contact me at your earliest convenience (918-249-9992). I appreciate your time and consideration and look forward to the opportunity of working with you.

Yours,

Kay Wallace
Agency Director
