

Thrive Wellness Center

Thrive Wellness Center will be at the NWA Women's Expo on April 24-25, 2021

At Thrive Wellness Center, we empower individuals to take control of their health through nutrition, exercise, life management and regular chiropractic care. We specialize

in "structural correction," a method that realigns the spine to its natural state. Once the spine is re-aligned, the body can finally begin to heal. Whether suffering from chronic pain, headaches, or other health conditions, Dr. Ozanne and his expert staff strive to understand the root cause of the issue in order to correct it. Visit Thrive at booth #317 for complementary Trigger Point Therapy and learn how we can help you!
