Downward Dog Wine will be in Booth #910 at the Tulsa women's Expo With a Cause on Feb 20-21, 2021

Downward Dog Wine is a locally owned by female entrepreneur, Betsy Hendershot. Betsy sources wine from the Columbia Valley of Washington state and packages it in vibrant, 3 liter boxes that are starting to gain the attention of wine enthusiasts everywhere. While “bag in a box” style wines have been the norm in Europe for decades, this convenient and environmentally friendly packaging is gaining popularity amongst every generation of wine drinker here in the US. Downward Dog Wine’s dedication to providing quality, single vineyard wines gives a fresh, modern focus to the future of winemaking.
